

# Got Heat?

Rob Stone

Got heat? (Got heat, aye)  
I bagged a pretty bitch right off the street (right off the street, yeah)  
Yeah, I told her look, not me (not me)  
I am not the one to put a ring on it (to put a ring on it)  
Yeah, but she gon' let me put the team on it (team on it)  
Yeah, and I don't like whip without some weed on it (yeah)  
Gas, all night stack green hunnids (I stack green hunnids)  
All up on the map, I put the team on it (yeah, yeah)  
Got heat? (Got heat, aye)  
I bagged a pretty bitch right off the street (right off the street, yeah)  
Yeah, I told her look, not me (not me)  
I am not the one to put a ring on it (to put a ring on it)

You can't get no love, so don't get comfy with me (comfy with me)  
I just bought some duff that had her up for a week (up for a week)  
Doobies hurt my thumb, but I'm still thumbin' through green (uh)  
And baby, you been actin' up but up in the club every week (what?)  
But see me, I be [?] now see I'm just up right on the mountain (yeah)  
Necklaces I started cashin

I got hated on a doubted, put her face up in the mattress

My neck look like some water, steady drippin' out the spout

I got bitches at the house, I met these bitches in the lobby  
They took drugs and want to party, so I had to get it started  
Roll my weed and take a [?], gas to start the Maserati  
I been seein' how you niggas lookin', time to [?]

Yeah, I told her look, not me (not me)  
I am not the one to put a ring on it (to put a ring on it)  
Yeah

Aye, I got my hater blockers on (on)  
Dime on my arm, check the foreign [?] I seen money  
And I can't lie, I'm so fly  
Take the fit off I'm like plumbing (woah)  
Yeah, my money make her moan  
She gon' fuck me 'cause she grown  
'Cause she know I might spend a little money  
Yeah, I gave that hoe a loan, told her, "Cop a new phone"  
And she better answer anytime I want it (yeah)  
Go goofy with the Benz, ooh twenty in my hand

Check the bag with a hunnid in my luggage  
Yeah, I'm Hefe with the tracks, Jeff Gordon with the laps  
And I gotta [?]  
Yeah

Got heat? (Got heat, aye)
