

# Gotta Get On

Rob Stone

Some days I feel wrong  
Some days I feel strong  
I pray to God that I'ma live long  
I gotta keep going

So many nights I try to move on  
But I can't move on  
It's part of life  
So be gone  
You wanna be gone

So many nights I overthink  
So many reasons I can barely eat  
So many people steal my energy, there ain't none left for me  
What shall it be?  
Let the money take control of me?  
Another dose of lean?  
I don't know, but I know me

I'ma get on  
I gotta get on  
I'ma get on  
I gotta get on  
I'ma get on  
I gotta get on  
I'ma get on  
I gotta get on

So many nights I overthink  
So many reasons I can barely eat  
So many people steal my energy, there ain't none left for me  
What shall it be?  
Let the money take control of me?  
Another dose of lean?  
I don't know, but I know me

I'ma get on  
The family bond  
The family strong  
I'm telling my son  
The family won  
Damage is done

World in my palm  
Word to my mom  
Life a sweet psalm  
I gotta keep calm

Feel a sweet joy  
Feeling reborn

It's me against the world  
Me, against the pearls and the diamonds  
And the wheels that I'm riding  
And the girl right beside me  
Probably don't even like me  
She just thinking

I'ma get on  
I gotta get on  
I'ma get on  
I gotta get on  
I'ma get on  
I gotta get on  
I'ma get on  
I gotta get on

So many nights I overthink  
So many reasons I can barely eat  
So many people steal my energy, there ain't none left for me  
What shall it be?  
Let the money take control of me?  
Another dose of lean?  
I don't know, but I know me

I'ma get on

I'ma get on  
I gotta get on  
I'ma get on  
I gotta get on...
