

Hit Me

Rob Stone

I put you on with that work
I'll give you your money's worth
Your girl, you know she a flirt
I pull up on her and I skurt
I got a show coming up
Bad bitch said she want a ticket
Only if you really with it
I'm just trynna be upfront
I'm so blunt with this blunt

Got that fire, hook you up
You looking sober, you need a buzz
You looking saggy, you need some love
I'm just trynna be upfront
I'm too blunt with this blunt
So hit me on my line, [?]
You know I got, whatever you need though
So hit me on my line, [?]
You know I got, whatever you need though

Baby hit me up, you know I got what you need
All kinds of flavors for my patient, but ain't shit here for free
I'm dropping ashes on my T, when she back ass up on me
I'm dropping baggage by the bitch, and picking bags up for me
I got it online, I even got pre-rolls
Girl come get what you want
I'm balling with no cheat codes
These people staring up, just seen my [?]
I'm having lunch out with my people, what you need though
Don't speak slow

Got that fire, hook you up
You looking sober, you need a buzz
You looking saggy, you need some love
I'm just trynna be upfront
I'm too blunt with this blunt
So hit me on my line, [?]
You know I got, whatever you need though
So hit me on my line, [?]
You know I got, whatever you need though

So hit me on my line, [?]
You know I got, whatever you need though
So hit me on my line, [?]
You know I got, whatever you need though
