

# One More Drank

Rob Stone

Aaaaaw  
Hey  
Whuuuu  
Hey  
Hey

One more drank, just one more drank  
Can't stop thinkin' 'bout the world we live  
Can't stop thinkin' 'bout this girl I met  
Can't stop thinkin' bout the words she said

Just one more drank, just one more drank  
Can't stop thinkin' 'bout this girl I met  
Can't stop thinkin' bout the words she said  
Can't get this bitch out my head

Just one more drank, I need one more drank  
Yeah, just one more drank  
Aye, just one more drank  
I need one more drank

Just one more drank, Just one more drank  
Yeah, I need one more drank  
Yeah, just one more drank  
Yeah, I need one more drank

Hey lil' momma see you doing your thing  
In the club just you and your drink  
Tryna elegant moon my way  
We could rock through the town  
In the coupe all day

On more bottle get you loose okay  
One more shot and she gon' lose my name  
One more drink'll make me feel okay  
One more night to make her be my bae

You can't stop me going up on that  
One more shot gonna turn me up  
I'm too hyper to go for dumb shit  
She might be the coldest one  
I don't care what your friends say  
And if I leave you at the bar it's a mistake  
I'mma beat it like a thug in a Bentley  
Just one more drank and you'll fall right down

One more drank, just one more drank  
Can't stop thinkin' 'bout the world we live  
Can't stop thinkin' 'bout this girl I met  
Can't stop thinkin' bout the words she said

Just one more drank, just one more drank  
Can't stop thinkin' 'bout this girl I met  
Can't stop thinkin' bout the words she said  
Can't get this bitch out my head

Just one more drank, I need one more drank

Yeah, I need one more drank  
Yeah, just one more drank  
I need one more drank

Just one more drank, I need one more drank  
Yeah, I need one more drank  
Yeah, just one more drank  
Yeah, I need one more drank, yeah
