Put my soul on the pad  
Nothing holding me back  
My bros on the map  
They don't know how to act  
Drugs in my body  
They just help me relax  
I like to overreact  
When I'm counting my racks  
See I'm ready for war'  
Bitch I'm ready to go  
I been waiting to blow  
I was bred for the show  
Don't take care of my body  
So she gave me her throat  
Taking sips from the bottle  
In the streets with my woes  
Aye  
But I still need my payout  
I hate to sleep all day  
So a nigga stay out  
Too blessed can't stress  
I don't even breakout'  
On the set I can't rest'  
Homies need a way out

Aye  
I'm bout my benjis  
Straight chase

Won't chase  
No lame ass bitches  
No Way

On Gang  
I'm with the business
