Believe

Rob Thomas

You better wake up,
It's been a long, long time.
You better watch out,
They're gonna steal you blind.
And it's a long way,
No matter where you are.

Well so tell me how we're gonna get that far,
Tell me how we're gonna get that far.

Wait, I don't think we can make it
Through this world without some
Faith when everything is falling
Through our hands we must believe.

You better wake up,
We're gonna go back home.
They're gonna love you,
When they see you all alone.
You got a new face,
With the same old scars.

Well so tell me how you're gonna get that far,
Tell me how you're gonna get that far.
Oh just tell me how we're gonna get that far,
Tell me how we're gonna get that far.

Stop turning away, stop turning around.
We must believe.
