Rob Thomas

Now it seems to me That you know just what to say But words are only words Can you show me something else Can you swear to me that you'll always be this way Show me how you feel More than ever baby I don't wanna be lonely no more I don't wanna have to pay for this I don't want to know the lover at my door Is just another heartache on my list I don't wanna be angry no more You know I could never stand for this So when you tell me that you love me know for sure I don't want to be lonely anymore Now its hard for me with my heart still on the mend Open up to me, like you do your girlfriends And you sing to me and it's harmony Girl, what you do to me is everything Make me say anything; just to get you back again Why can't we just try I don't wanna be lonely no more I don't wanna have to pay for this I don't want to know the lover at my door Is just another heartache on my list I don't wanna be angry no more You know I could never stand for this So when you tell me that you love me know for sure I don't want to be lonely anymore What if I was good to you, what if you were good to me What if I could hold you till I feel you move inside of me What if it was paradise, what if we were symphonies What if I gave all my life to find some way to stand beside you I don't wanna be lonely no more I don't wanna have to pay for this I don't want to know the lover at my door Is just another heartache on my list I don't wanna be angry no more But you know I could never stand for this So when you tell me that you love me know for sure I don't want to be lonely anymore

I don't wanna be lonely anymore [x3]
