

# Losing My Mind

Rob Thomas

I've been staring at the distance  
Calling from the outside  
Was I always this way from the start?

I've been working through it slowly  
Did I ever really know me?  
From my head to the stars, yeah  
We are who we are who we are

I'm losing my mind but it doesn't show  
I get angry and I let it go  
I've been laughing but it's real, though  
The tears in my eyes, they don't run dry  
Losing my mind but I couldn't say  
If I ever had it anyway  
And tomorrow is another day  
And until that time, I will be fine  
Losing my mind

Yeah, there's only so much you can take  
Until you start to believe it  
Till you crawl on the ceiling  
You roll around till it's under your skin  
There's a name for it, baby  
But it ain't going crazy

I'm losing my mind but it doesn't show  
I get angry and I let it go  
I've been laughing but it's real, though  
The tears in my eyes, they don't run dry  
Losing my mind but I couldn't say  
If I ever had it anyway  
And tomorrow is another day  
And until that time, I will be fine  
Losing my mind  
Oh, I'm losing my mind

I'm losing my mind, I try to forget it  
It could tear me apart if I let it  
I stumble and fall  
Line me up on the wall  
It's the start of the end of it all

I'm losing my mind but it doesn't show  
I get angry and I let it go  
I've been laughing but it's real, though  
The tears in my eyes, they don't run dry  
Losing my mind but I couldn't say  
If I ever had it anyway  
But tomorrow is another day  
And until that time, I will be fine  
Losing my mind
