Nigga I'm aimin' at you, comin' for you
Nigga I'm gunnin' for you
I cannot fuck with these dudes, claimin' they goons
But these niggas cartoons
Nigga I'm aimin' at you, comin' for you
Nigga I'm gunnin' for you
I cannot fuck with these dudes, claimin' they goons
But these niggas cartoons

Niggas be talkin' 'bout juice, don't got no juice
Shoreline, yeah we got the juice
I dropped a six in a two, pink Mountain Dew
I'm sippin' nothin' but goop
Niggas be sayin' they shoot, they not gon' shoot
My niggas they finna shoot
I put a stick in my tool, what I'm gon' do
Nigga I'm aiming at you
Niggas be talkin' 'bout juice, don't got no juice
Shoreline, yeah we got the juice
I dropped a six in a two, pink Mountain Dew
I'm sippin' nothin' but goop
Niggas be sayin' they shoot, they not gon' shoot
My niggas they finna shoot
I put a stick in my tool, what I'm gon' do
Nigga I'm aiming at you

Nigga I'm aimin' at you, comin' for you
Nigga I'm gunnin' for you

Fuckin' with me, they get ruined
Pull out the choppers, my niggas gon' clear out the room
All you hear is that boom
Bitch say she don't got my money, the fuck is you doin'?
I think the cops hit the door
My paranoia higher than the dope
Damn I hope they don't find the poles

Erase everything on my phone
This trappin' shit, it's goin' on
Narcotics all up in my home
These bitches ain't shit but a bone

Niggas be talkin' 'bout juice, don't got no juice
Shoreline, yeah we got the juice
I dropped a six in a two, pink Mountain Dew
I'm sippin' nothin' but goop
Niggas be sayin' they shoot, they not gon' shoot
My niggas they finna shoot
I put a stick in my tool, what I'm gon' do
Nigga I'm aiming at you
Niggas be talkin' 'bout juice, don't got no juice
Shoreline, yeah we got the juice
I dropped a six in a two, pink Mountain Dew
I'm sippin' nothin' but goop
Niggas be sayin' they shoot, they not gon' shoot
