

Last Bean

Rob Vicious

I'm on my last bean
I do it I do it I do it again (I carry it like it's a vac-)
I do it I do it I do it again (I love when that cash green)
Got shootas, got shootas, they shootin' (I need my cash)
We bought some, we bought some, we coolin'

I'm on my last bean
I carry it like it's a vaccine (like it's a vaccine)
I love when that cash green (yeah)
I need my cash clean (I need my cash)
She wanna she wanna she wanna ride in that fast thing (Skkrt, skkrt, skkrt, skkrt, skkrt)
She ain't knowin' what that mean (naa, naa)
Walk around wit a bankroll, turn my skinny to fat jeans
Guns all over the place bro
No we don't stash steel
One [?] for lil Rob
Lil nigga, swear to God that I need 4k like a flatscreen
I be damned the plug tax me, Imma take it if you ask me
Rockin' vacant, that's the trap scene (hold on, wait)
Feed all of my niggas, already ate
Yeah, I'm already straight
'Fore you pull up on me hatin', tell your bitch get up out of my face (get up out of my face)
I don't fuck with niggas, need my space
Still pray my brother beat that case
Ayy, surrounded by a whole lotta hate (whole lotta hate)
Yeah I know it seem that way (seem that way)
Cash money, you can see it in my face (see it in my face)
Crowd money, no water this wave
You a bitch, ain't part of my gang
Nigga I'm 'bout all of my name
How the fuck you carry all this pain, ay
(I'm off a molly, can't sleep off a bean)

I'm off a molly, can't sleep off a bean
Bet I catch a body, you dissin' the team
Talkin' with Robby, you gotta be green
That guap [?] it's all over me
Try to rob Rob, you gon' die, that's on me

I do it I do it I do it again
I do it I do it I do it again
Got shootas, got shootas, they shootin' (they shootin')
We bought some, we bought some, we coolin' (I'm on my last bean)
I do it I do it I do it again (I carry it like it's a vac-)
I do it I do it I do it again (I love when that cash green)
Got shootas, got shootas, they shootin' (I need my cash)
We bought some, we bought some, we coolin'

(I'm on my last bean)
(I carry it like it's a vac-)
