Rob Vicious

Bitch I'm Rob Vicious

B-I-T-C-H, they spelled his name wrong  
Shout him out and I still diss him in the same song  
I ain't never fucked with none of you niggas  
What the fuck gon' make you think I won't go dumpin' at you nig  
gas?  
Niggas pussy, we expose 'em  
People wanna see who pussy, nigga I'm gon' show 'em  
Headshot gon' put his ass in a coma  
Made a little with the fuck nigga, I don't know him  
Disrespect my name, nigga be I'm pullin' up  
Fuck nigga wanna be friends but you niggas ain't cool as us  
Dirty ass gun don't bust 'cause your ass don't shoot enough  
Went and bought a gun 'cause your pussy ass got somethin' to do  
with us  
Somethin' 'bout these rap niggas  
Lot of fuck niggas talk big, make me really wanna slap niggas  
You got riches, I jack niggas, I jack bitches  
These niggas bitches, no street credit, can't rap with 'em  
And if I don't know 'em, can't talk to 'em  
Ain't no love for the other side, don't fuck with 'em  
I fuck with you then I fuck with you, I'm stuck with you  
And if she fuck with you, don't be greedy, let me fuck with you  
Look at the shit that I'm on, makin' money with my buddies  
And I'm kickin' for the slutties, I just want some sucky-sucky  
Ho leave me alone, get your bitch up out my phone  
Look at this shit that I'm on, won't be long 'til I'm on  
My sack low and my plug sleepin' but they still callin' my phon  
e  
Tell me somethin' 'bout Rob Vicious, fuck nigga just robbed my  
home  
That's your loss and that's my gain, fuck niggas always talk si  
deways  
Lil bitch speak on my name, I want him dead, got five days  
Pussy niggas got nine lives, kill 'em nine ways by Friday  
Niggas talkin' that fireplay, now you left slumped by the drive  
way  
Dumped by the highway
