

More Human than Human

Rob Zombie

Yeah, I am the astro-creep
A demolition style, hell American freak, yeah
I am the crawling dead
A phantom in a box, shadow in your head, say

Acid suicide, freedom of the blast
Read the fucker lies, yeah
Scratch off the broken skin
Tear into my heart, make me do it again

Yeah, yeah, yeah, yeah, yeah

More human than human
More human than human

Yeah, I am the jigsaw man
I turn the world around with a skeleton hand, say
I am electric head
A cannibal core, a television said, yeah

Do not victimize
Read the motherfucker, psychoholic lies, yeah
Into a psychic war
I tear my soul apart and I eat it some more

Yeah, yeah, yeah, yeah, yeah

More human than human
More human than human

Yeah, I am the ripper man
A locomotion mind
Love American style, yeah
I am the nexus one
I want more life
Fuck, I ain't done, yeah

More human than human
More human than human
More human than human
More human than human

More human than human
More human than human
More human than human
More human than human
