

# The Devilman

Rob Zombie

Well, I bring the horror into your head  
Take me to the underground is what she said  
Well, I am the blood seeping in the floor  
Listen for the wolfhound screaming for more

Hey! Hey! I'm the Devil-Man  
Desecrate the shadow of the holy land  
Hey! Hey! I'm the Devil-Man  
Vengeance is mine with an iron hand

Well, I call the vultures into your bead  
If one is born a swine then turn it dead  
Well, I bury them down in the cave  
Between God, the Devil and an endless grave

Hey! Hey! I'm the Devil-Man  
Desecrate the shadow of the holy land  
Hey! Hey! I'm the Devil-Man  
Vengeance is mine with an iron hand

This cemetery has no crosses  
I am Hell  
You are Hell  
Everybody sing  
I am the heart of the darkest thing

Hey! Hey! I'm the Devil-Man  
Desecrate the shadow of the holy land  
Hey! Hey! I'm the Devil-Man  
Vengeance is mine with an iron hand
