

# The Hideous Exhibitions Of A Dedicated Gore Whore

Rob Zombie

She got Vincent Price tattooed on her thigh  
Below a devil bat with a crazy eye  
She got "fuck you" scratched in her head  
A three-legged freak strapped to the bed

Feed it baby, eat the world  
Feed it baby, eat the world

That girl is a gore whore  
She grabs for an axe and comes through the door  
That girl is a gore whore  
So much blood everywhere and all she wants is more

She got Wolfman tattooed on her fist  
"I love the dead" around her wrist  
She got Karloff across her back  
A life in neon, a life in black

Feed it baby, eat the world  
Feed it baby, eat the world

That girl is a gore whore  
She grabs for an axe and comes through the door  
That girl is a gore whore  
So much blood everywhere and all she wants is more

She got Dracula tattooed on her neck  
Sunlight always makes her sick  
She going to the picture show  
Let's motherfucking rock and roll

That girl is a gore whore  
She grabs for an axe and comes through the door  
That girl is a gore whore  
So much blood everywhere and all she wants is more
