

Unclean Animals

Rob Zombie

Rats in the walls
Hangin' from the gallows
We're all junkies, invisible and yellow

Free of you all
Climb across the ceiling
Grotesque temples, skin begins to peeling

You are, we are animals
Unclean, ugly animals
You are, we are animals
Unclean, ugly animals

Rats in the walls
Underworld invasion
Dreamin' of the flesh
Instructions not equations

Free of you all
White, fanged and furry
Incantations dig in on the worry

You are, we are animals
Unclean, ugly animals
You are, we are animals
Unclean, ugly animals
