Rob Zombie

And she came  
Virgin witch  
Behold the one  
Virgin witch  
Seek to destroy  
Virgin witch

Into the earth  
Virgin witch  
None shall pass  
Virgin witch  
Break from the gods  
Virgin witch

Prepare the war  
Virgin witch  
Risk of the soul  
Virgin witch  
Raise the sword  
Virgin witch

No more words  
Virgin witch  
One shall stand  
Virgin witch  
Slay the beast
