

By My Side

Rob49

Uh, uh

Yeah, not how I want this to be
Should've gave my heart to you, but I put my heart in the street
Tellin' me you love this nigga, why you ain't lovin' on me?
Flyin' you out state to state 'cause I want you here with me
I fall down to my knees and I ask you, "Can you forgive me for the wrongs I did?"
I wan' leave my kids in your womb when I'm in it
I'm still fuckin' all these hoes, baby, I know better
Baby, I just want you by my side

Yeah, baby, I just want you by my side
Hope you done fuckin' them other guys 'cause they don't do you right
I don't want this shit to end, bae, I want this shit for life
Gamblin' with relationships, baby, I'm down to shoot the dice, ah
I wan' leave my kids in your womb when I'm in it
I ain't fuck you for a year straight and I miss it, baby
I think this the time for us, this perfect timin'
Baby, I can't get you off my mind
Touchin' you right, yeah, love
Baby, you know mom's in the crib, don't make noise
You know I be pushin' it deep, I'm too far
You can feel it in your heart

Yeah, not how I want this to be
Should've gave my heart to you, but I put my heart in the street
Tellin' me you love this nigga, why you ain't lovin' on me?
Flyin' you out state to state 'cause I want you here with me
I fall down to my knees and I ask you, "Can you forgive me for the wrongs I did?"
I wan' leave my kids in your womb when I'm in it
I'm still fuckin' all these hoes, baby, I know better
Baby, I just want you by my side

I want you by me
I ain't sayin' you wrong, but, baby, it's just wrong timin'
I want you by me
I ain't sayin' you wrong, but, baby, it's just my conscience
Just say you all for me, I can't get off of you
I still fuck opps sometimes, I'll leave 'em all for you
Get you a G-Wag' with the [?] rugs, sky blue
It's you over them forever, never got to choose, my love
Never gotta choose, but I always choose you
I could only blame myself, that's if I lose you
I could only blame myself, that's if I lose her, ain't tryna lose her

Yeah, not how I want this to be
Should've gave my heart to you, but I put my heart in the street
Tellin' me you love this nigga, why you ain't lovin' on me?
Flyin' you out state to state 'cause I want you here with me
I fall down to my knees and I ask you, "Can you forgive me for the wrongs I did?"
I wan' leave my kids in your womb when I'm in it
I'm still fuckin' all these hoes, baby, I know better
Baby, I just want you by my side

Baby, I just want you by my side
Tired of chillin' with them other hoes 'cause they don't know my vibe
And my trust is runnin' low from undercover lies
'Member late nights, we fuckin' slow, I'm suckin' on your thighs
Two years, you finally with a real nigga
All these hunnids that I spent, probably got her head bigger
I know that my lil' shorty, she a brat, kill it fuckin' from the back
I don't want this shit to end, so I deal with her
I kept fuckin' up like I don't know better
Got me thinkin' 'bout my chances, came and threw out old letters
Hope this shit go how we planned it, baby, you just so pressure
Now I see you like a bandit 'cause your heart is soul catcher

Yeah, not how I want this to be
Should've gave my heart to you, but I put my heart in the street
Tellin' me you love this nigga, why you ain't lovin' on me?
Flyin' you out state to state 'cause I want you here with me
I fall down to my knees and I ask you, "Can you forgive me for the wrongs I
did?"
I wan' leave my kids in your womb when I'm in it
I'm still fuckin' all these hoes, baby, I know better
Baby, I just want you by my side
