(Say, where Robb at?)

Yeah (Yeah)

Haha (Haha)

4God (Yeah)

The vulture shit run deep in my blood (Oh, there it is)

Fuck fucking hoes, we'll get 'em back or somethin' (There it is)

Yeah (Yeah)

Can't let no pussy niggas trick me while I keep my blicky (Trick me while I keep my blicky)

I know some killers, don't say shit, but they collect they ticket (Yeah)

Before you bossed up and start winning, all them hoes was distant (All them hoes was distant)

Fuck all them cars and different bitches, I'ma stack my Benji's (I'ma stack my Benji's)

That's it

What he thought I was gon' chill while they go get that bag? (Yeah)

All this money don't mean nothin', I want my niggas back (I want my niggas back)

Robbin' niggas in the park, ayy, said, "Look, give me that" (Ayy, said, "Look, give me that")

That shit got treacherous (Yeah), that's if I didn't rap (That's if I didn't rap)

Niggas know I get it on and I still miss my dog (And I still miss my dog)

Watch my closest partner leave, feel like he let me fall (Feel like he let me fall)

Police in and out the crib, that low-key left me scarred (That low-key left me scarred)

I ain't see shit, we can't tell them bitches nothin' (Tell 'em nothin')

I said, "Feel like I be by myself" (Yeah)

Ain't nobody see my vision, I was fucked up, I ain't asked for help (Yeah)

Niggas fake, I had to tell myself (I had to tell myself)

Went through trials and tribulations, sold out dates and never copped a bezel (Sold out dates and never copped a bezel, yeah)

Shit, if he could see his brother now (Yeah)

He stayed down 'til he came up and he himself, made his family love him (Made his family love him)

Sis so cray', can't even trust my cousin (Can't even trust my cousin)

Shit, I never would've thought it would be me who made rap (Yeah)

Can't let no pussy niggas trick me while I keep my blicky (Trick me while I keep my blicky)

I know some killers, don't say shit, but they collect they ticket (Yeah)

Before you bossed up and start winning, all them hoes was distant (All them hoes was distant)

Fuck all them cars and different bitches, I'ma stack my Benji's (I'ma stack my Benji's)

That's it

Ain't nobody gave me game, I made myself a ball (I gave myself a ball)

Move from jump, I had a gift, I shake them haters off (I shake them haters off)

Ain't believe in me at first, but now act like they soft (Yeah)

Sending fire when it's smoke, that zaza come with coughs

I ain't gon' lie sometimes, I cry just thinking 'bout the times (Thinking 'bout the times)

I'm by myself, nobody real, all I can trust is mom (Yeah)  
I'm by myself, nobody real, and all they do is lie (Yeah)  
I'm in the projects with my chains, this pussy try, he die (Pussy try, he die)  
e)

Haha, that's it

Ha

Pussy try, he die

4God, vulture full

That's what it is
