

Out My Zone

Rob49

Nigga know I be tripping
They been trying to get me out my zone dawg
They been trying to get me out my zone dawg
They been trying to get me out my zone dawg
They been trying to get me out my zone dawg

I been in my bag don't do drive by walk up get his ass
They been waiting on me to spaz I'm trying to win can't come out in last
My life is a move fasho I got major plain ain't no safety keep it on go
We just the soldiers who made it through that rain

Yeah

I ain't pray for the fame I prayed for that check and touch me a million dollars
All black masi he still keep his ride
He trying to catch a body middle of the projects trippin nigga
I get top I never kiss her grab my stripes
I been official yep 4 god gone make you wetter
Yeah

Alright only come around from if her neck for me fuck that shit ill stretch homei
I'm too g for fuck niggas word around town
You stuck in the word around town 49 them up nigga
Love my bitch to death but it ain't no cap I'm still gonna cheat on her
I know they can't stop me 49 the trending topic nigga (yeah)
I know they can't stop me take one pop that oxy kick
Me and PJ back to back in the cad I'm spitting facts
These hoes gone fuck for free I'm rich still give her nothing

I been in my bag don't do drive by walk up get his ass
They been waiting on me to spaz I'm trying to win can't come out in last
My life is a move fasho I got major plain ain't no safety keep it on go
We just the soldiers who made it through that rain

We ain't pay for the fame I know a couple of gangsters
That went to jail they turned out to be a rat
I done seen so many people they turned flaw so I can never just lack
What you know about losing them dice fuck it rob him get it all back
We talk real we speak facts fuck around and got high waste my act

Yeah

I can't stop ain't got no license number player
This shit privet I got body's we be wildin
Yeah

Not no reggie this exotic I got this smart lil vibe in college
So many diamonds got me shining
Yeah

You gotta have some motion to join my campaign
It's just me and rob up in that fast lane
We got switches to we on the same thing (pow)
I just prayed for millions I didn't pray for fame

They been trying to get me out my zone dawg
They been trying to get me out my zone dawg
They been trying to get me out my zone dawg

They been trying to get me out my zone dawg

I been in my bag don't do drive by walk up get his ass
They been waiting on me to spaz I'm trying to win can't come out in last
My life is a move fasho I got major plain ain't no safety keep it on go
We just the soldiers who made it through that rain
We didn't pray for fame
