

## Pressure

Rob49

I heard pressure bust niggas pipes  
I trap I rap and dog her out she said I fucked up her life  
I know her intentions wasn't good fuck she feel good inside  
Should I stay faithful or dog her out that shit like rolling dice  
I know I'm wrong my money right

Million dollars ain't nothing trap nigga yeah real hoe flipper  
I've been focus on getting pounds gone bitch I ain't no rap nigga  
Oh she don't like bitches fuck her good full turn out dyke bitches  
Diamonds like broke glass shining hard like I hit the light switches

Me and T was up every night  
Kingpin dreams private jet flights  
Living for the moment in the hood  
Still remember times when I could of died  
I ain't gotta talk to the thotty  
She say she can smell I got some money  
We shut niggas trap house down  
Come tell them nigga do something about it

I just bought 100 pounds here  
Like I'm trying to break some down  
Sell them whole you get sixteen  
Break em down you get twenty five  
I can manage shut this bitch down I ain't  
Never need a fucking co-sign  
How you trying to pimp and you in love damn near put a leash on my hoe

I'm so tired of trapping nigga  
Got enough money I can go legal but still be playing with vacuum seal  
C'est la vie I can't lie I'm doing that shit my daddy did  
First time driving a 'rari I told b teach me how to start this bitch

I heard pressure bust niggas pipes  
I trap I rap and dog her out she said I fucked up her life  
I know her intentions wasn't good fuck she feel good inside  
Should I stay faithful or dog her out that shit like rolling dice  
I know I'm wrong my money right

Million dollars ain't nothing trap nigga yeah real hoe flipper  
I've been focus on getting pounds gone bitch I ain't no rap nigga  
Oh she don't like bitches fuck her good full turn out dyke bitches  
Diamonds like broke glass shining hard like I hit the light switches

Boo been trappin' on the river  
Lavish life in my livin'  
G-lock in my pistol  
Can't kiss no bitches  
Keep telling me kiss her crazy  
I'm a voucher but Mr. I'll steal on your daughter  
I act dumb even though I'm toxic  
I act broke even though I got it

Chanel ain't enough for you  
That Gucci ain't enough for you  
Shit  
That's just how hustlers be can get too comfortable

Come fuck with me I swear that  
Nigga can't do nothing for you  
Shit you love me gotta show it you trust me gotta show it yeah

I heard pressure bust niggas pipes  
I trap I rap and dog her out she said I fucked up her life  
I know her intentions wasn't good fuck she feel good inside  
Should I stay faithful or dog her out that shit like rolling dice  
I know I'm wrong my money right

Million dollars ain't nothing trap nigga yeah real hoe flipper  
I've been focus on getting pounds gone bitch I ain't no rap nigga  
Oh she don't like bitches fuck her good full turn out dyke bitches  
Diamonds like broke glass shining hard like I hit the light switches
