

We pull up in any whip
Yeah we can fuck on any bitch
Turnt up like a motherfucker looking like I hit a lick
They said we can't bring shit in this party I bought my pole in
Pull up TRX truck that scat pack just ain't fast enough

50k at boobytrap Miami hoes is bad as fuck
200 in the 'rari I was on the bridge I just might pass him up
They need a nigga with a busstown
Every time a nigga touch down
100, 200, 500, all blues
We pull up in any whip 40k in my back pocket
AK for my nemesis he said he want rob some
They think just cause we went number one we ain't gon' slide nun
Young nigga on demon time he out of sight and out his mind

15 I was kickin' doors young laid back nigga
Roddy always been sniffing hoes and always had his wrist on froze
Light it up, uh uh
Flood the streets, uh uh
New black 4 by 4 bitch this is not a Jeep

Gotta buy a Goyard it barely fit the racks in
I done laid more niggas down in tackles then the Pac10
Cut a couple hoes off
All these bitches want is me
Roddy gon' hit him from the top 49 gon' hit him below the knees

We pull up in any whip
Yeah we can fuck on any bitch
Turnt up like a motherfucker looking like I hit a lick
They said we can't bring shit in this party I bought my pole in
Pull up TRX truck that scat pack just ain't fast enough

Yeah
I been in the trap still
Real project baby sending pounds back through a vacuum seal
All my hoes got Prada bags
4K for that purse if you don't squirt bring that Prada back
And I want him dead but that lil shit won't bring my brother back
Uh uh uh uh I'm about it uh uh
Ask about me uh uh homicidal uh uh
Still be beating that block up like I'm equal dollar
Nigga rich like Roddy
I'll crack a taco, shit

Told bro do him wrong we know he a snake yeah
And he want him bad he ride strikers all night
Shit way he keep a strap you would think lil bro a dike
Catch him doing bad like cousin hero at that light nigga

We pull up in any whip
Yeah we can fuck on any bitch
