

Back n Forth (Interlude)

Robb Bank\$

Sometimes I cry for you
Sometimes I cry for you
Ayy, sometimes I cry for you
Ayy, sometimes I cry for you
Even if I die for you
Wish I could make up your mind for you
I'd lay it on the line for you
You know I'd ride for you

Yeah, yeah, yeah
Back, back and forth and forth
Back, back and forth and forth
Back, back and forth and forth
Back and forth and forth
Back, back and forth and forth
Back, back and forth and forth
Back, back and forth and forth
Hell no, hell

I ain't goin', I ain't goin', oh
I ain't goin', I ain't goin', oh
I ain't goin', I ain't goin'
Back, back, forth
Back, back, forth

Sometimes I cry for you
Sometimes I cry for you
Ayy, sometimes I cry for you
Ayy, sometimes I cry for you
Even if I die-

All I have is why I have to be a rapper, 'cause that shit is not
If every song I make is, at least, changes one-, one nigga's life
If I, honestly, if I chose music, I'd be happy, yeah (die for you)
I rap as a, low level artists (sometimes I)
Fans grow, I'm gonna grow too as an artist, everything can happen is what I'm saying?
That's fuckin' crazy, yeah I love my momma
Why, do you support me? (Die for you)
I'm makin' music that I wanna make, you know what I'm sayin'?
So, that's really what it is (we go back, back and forth and forth)
I've expanded into more, more genres and now, that's like my main focus
I was going through a bad break up
