Ice got me froze [?]  
Savage life worldwide  
4301 forever

Bet [x8]  
Bet you don't swing on that nigga (you won't)  
Bet you won't squeeze on that nigga  
Bet you won't bleep on that nigga  
Watch me, I creep on these niggas (mhm)  
Bet [x8]  
My 40 gone leap on that nigga (it do)  
We hungry, we eating these niggas (we will)  
Bet you I sleep the fuck nigga  
Pull off in a jeep with my niggas

Bite Down (sure)  
Bite Down (sure)  
Bite Down (sure)  
Bite Down  
Bite Down (sure)  
Bite Down (sure)  
Bite Down (sure)  
Bite Down (sure)  
Ima wet him up  
Even if he ride the bus  
Snatch his chain where I'm from  
In the Springs, smart stunnas

Griffith pull up in a spaceship  
It's a celebration  
I bring home the bacon  
Self flock, I got the vacant  
Me and yo' bitch dating  
Accuse her ass daily  
We in the bed fading  
My fist in her anus  
Phone all in her playlist  
The latest, the greatest  
These specs in my face, so I Cartier framed it  
My tags made of paper, my Glock got a laser  
Street nigga with sense, 50 Yamaha cable  
Phone on the Ridge, come find me  
Too big for that underground shit, don't confine me  
I'm a killer don't push me, watch how you walk by me  
Got 10 on my dick, bet yo' hoe try to buy me  
I'm the king of poppin' all the shit, call me Mikey  
Yo main bitch off the wall, I can tell that she wildin'  
I'm a wizard, what's hitting  
I shoot from the side  
And I put my Draco onto all you Hermione's

Bet [x8]  
Bet you don't swing on that nigga (you won't)  
Bet you won't squeeze on that nigga  
Bet you won't bleep on that nigga  
Watch me, I creep on these niggas (mhm)

Bet [x8]  
My 40 gone leap on that nigga (it do)  
We hungry, we eating these niggas (we will)  
Bet you I sleep the fuck nigga  
Pull off in a jeep with my niggas

I dump his mothafuckin' body in the creep with his niggas  
Miguel, Rell, rip to my niggas  
I'm on it, wanted, they don't sweeten me nigga  
Bam, blindin' boy free all my niggas  
Got twins wet, yea they synchronize swimming  
Take yo' fork, guess who coming to dinner  
And Doon a drug core, so he drink all the liquor  
Tell yo bitch smoke a port, smell the dick on her breath  
I'm finna ride, slide, check my vibe  
Thick bitch, mouth wide  
Broward's mine, Woodside, Riverside, Deepside  
Guess who turned down freshmen list cover twice  
Know I'm a dragon, I spit with the fire  
I catch me a body, still fall asleep fine  
You a punk and a lie, how you sleep at night

Bet [x8]  
Bet you don't swing on that nigga (you won't)  
Bet you won't squeeze on that nigga  
Bet you won't bleep on that nigga  
Watch me, I creep on these niggas (mhmm)  
Bet [x8]  
My 40 gone leap on that nigga (it do)
