Come Down Pt 3 (Interlude)

Robb Bank$

Sure, sure, sure, sure
Hold up, phone up, pick up, hang up, turn up
Uno dos, double phone double phone ay

Aye Nuri cut that shit down
Turn that shit down bro
Turn that mothafucka down

C2 bitch!

Yeah you already know who it is
Phone Griffith, Sir Griffith, the One, Hawkalite all of that, we here

Id like to thank KTT for doubting me
The internet for doubting me
Calendars fans for doubting me
You understand me?

I gave you what you wanted, you know what I'm saying
I gave you all the little smooth cloud rap
There it go, you have it
All that, you understand

We gotta give them something a little bit hard you know this shit been real sweet, this shit been real sweet since I've been, you know... Hailing Satan
Been waiting to drop this shit on ya'll bitch ass niggas
You niggas got their butts on the sink

Niggas been out here trying to talk down on the Byrd nigga, the militia, you smell me?

So, it's time for me to give you a little something harder
Drop that hard shit on they ass Nuri

SET!
