Evil Empire

Baby, you bad enough on Vogue
How your face be giving yes, and attitude of no?
Your body was always tea, how you gon' let that shit get cold?
BBL or the lip fillers, you always do the most
Uh, gross
Evil Empire, this is more than mixtapes, it's a movement
You must be out of your goddamn mind

Nigga, the motivation be my lonesome
These niggas pillow talkin, be surprised when I got insomnia
Sleep walking, they putting shit to bed, nigga, Imma step regardless
Like how the fuck me and your BM supposed to get some closure?
When your ass always talkin, nigga
Fly back to Jamaica, I go see [?] and chuckle, nigga
Stickin with my family, I know you fuck niggas don't really love me, nigga
That's why I'm still the uppest, nigga
Send money to my momma, nigga
You live with your auntie, nigga
I'm in Kingston, not in Florida, nigga

I'm shinin' with my boo (Uh)
See the roof in that double-
R, she like "How you got diamonds in the coupe?" (Uh)
I met her at [?] I flew a freak back to the zoo
She act like a dog, she don't know I'm a dog nigga too, uh
Baby, you bad enough on Vogue

Your body was always tea, how you gon' let that shit get cold?
BBL or the lip fillers, you always do the most
Uh, uh, gross

She like, "You make me sick, how you gon' do this again?"
How you say you love me, then you fuck all my friends?
I swear, my ego gets to me and I end up losing my bitch
Like Tatiana & [?] that's my 2 biggest regrets
Can't believe I let you see the worst of me, woulda gave the world to me
I ain't come to your surgery, and you still had gave your purse to me (Aye)
Callin' me but never heard from me, not knowin' it's hurtin' me
You my everything, I promise to think about you everytime I'm in DC
Told you like Boston, make all your problems my problems
Poured my heart out to Gabrielle, guaranteed that she saw em
You know how I feel, I can't blame that nigga for tryin'
Been riding on my lone, fuckin' on these hoes, shinin'

I'm shinin' with my boo (Uh)
See the roof in that double-
R, she like "How you got diamonds in the coupe?" (Uh)
I met her at [?] I flew a freak back to the zoo
She act like a dog, she don't know I'm a dog nigga too, uh
