Catch my fade
Catch my fade
She gave you brain and you got AIDS
I look up to the sky and I ain't had no roof
I nutted on the seat and bought another coupe
Man she gon' pull out my dick
Man she gon' eat all my kids
I just got all in her ribs
I traded the Lex for the Benz
I did not come to make friends
I couldn't stay off of them Xans
I'm falling asleep on my fans
I told that hoe front that she next
When you gon' see I'm the best in this?
I ain't squashing beef boy I can't settle shit
Bought a meet-and-skeet, gave me the settlement
I drink easter pink [?]
I had India Love [?]
My new hoe wanna swim in my kidneys
And she don't drink no lean unless I piss in it
And she wanna please all my fetishes

There go, there go
Got some special hoes up in my stable, stable
Deaf, dumb, and blind they like where he go, where he go?
That's Hulu and unwind since it's three of you, three of you

Catch my fade, nigga catch my fade
I made 28 off the interstate
I look up in the sky and I ain't had no roof
Bitch if Savage Life official you know what it do
I bet she eat on my dick
I bet she eat on my dick
I bet she play with my kids
Ima get all in her ribs
They off on my nigga they dead
They off on my nigga they dead
I bet she eat on my dick
I bet she eat on my dick
I bet she play with my kids
Ima get all in her ribs
I got two twins that like to fight
Kassandra she a dike
If they see me trap they probably [?]
She just hit the phone, right
She gon' [?]
Bitch I drink lean I don't drink Aquafina
I whip my wrist that's Katrina call FEMA
Nick at night I beat my dick to Taina
Please don't tell Disney I just fucked a cheetah
One Punch Man in the booth I'm Saitama
[?] throught the speaker

Look at the flick of the wrist
