Hello

You are now listening to Tha Leak, by Femto
A collection of eighteen songs out of five-hundred in the last
five months, which has been unofficially released by his team,
the GodHand

And his manager Satan without his knowledge (Happy)

These songs do not reflect Falconia in any way, and do not coin
cide with any arcs of Falconia, which will be the next release
this October (4:30)

If you do, in any way, pirate these songs, or stop them from be
ing put out to the people, we will carve out your heart, and yo
ur soul will burn in Hell for all eternity (Happy)

Thank you for listening, enjoy (Happy)
