

Uh, uh, uh
Yea, yea, yea
You make me feel so good

Sure
Suck that dick, I ain't playin'
Walk into yo' house with the pistol in my pants
Me and yo' neighbor got into it way in the past
I still risked it all just to lay up again
Whoa ho, toe she rollin' up the ice off the panties
You can be the ocean that a nigga come and splash in
That bitch, you must be approached
Shawty let me lick you slow, girl take it to the flo'
Yea you know ya' man a ho, so
Girl we could keep all this shit low
Just look me in the eyes when I take yo' soul
And you got a couple things that you can't let go
Bitch, you don't even know what you came here for
Just know, you on go, take all that nigga poison
You could be everythang that a nigga wanted
Bitch I'ma be here whenever yo ass call
I'll still Kill4U yea shawty you should know this

Yea girl I know you know it
Yea girl I know you know it
Yea girl I know you know
I know you know, I know you know it
I know you know, I know you know it
"Sure, sure"
"2PhoneShawty"

I thought I told you that she want a soldier?
Put the spirit gun back in the holster
You can let that go, you know only
On me, on me
Told ya, going forward know I keep it close
It ain't know trust with you bitch look you right in the face
Stay in yo' place, got decisions to make
I'm here, you gone
I'm on, suck me ho

Bitch I know
I know, I know, I know [x8]
"Aye, aye, aye, aye"
Bitch you know I know

Tell me how you want it
Shawty put me up inside
I take a fuck nigga and sacrifice him (sure)
16 with' a Tumblr model drinking out the baby bottle
In the pussy where you woulda found me
Savage know I got the racks, not a one man band
Name hands on like a fuckin' cast
Mark yo' bitch with my brain, gave some dick to a fan
And I sucked on da' titties and smeared my autograph
Might fuck yo' bitch all da' muscle
Conceived on Tumblr and survived abortion

Dark skin Marilyn Manson, light skin prince of darkness
These hoes called me daddy since I was an orphan
And I still run the same course as the poison
Fuck the conforming, been this way since I was born
Doing 150, I magne to the Porsche
I push the ass back, what's wrong with the force

Do you think about me?
Do you think about me?
All the nights with the xan with the lean
Do you think about me?
Do you think about me?
All the nights with the xan with the lean
Do you think about me?
Do you think about me?
All the nights with the xan with the lean
Xan with the lean, do you think about me?

Bitch I know
I know, I know, I know [x8]
"Aye, aye, aye, aye"
Bitch you know I know
