

LET'S GET MARRIED

Robb Bank\$

Let's get married
Let's get married
Let's get married
Let's get married

Let's get married
Let's get married
Baby, let's get married
Let's get married
Baby, let's get married

Got you in the coupe baby
No, no baby
SS-550
That bitch don't wanna spend no time with me
Hoe, you could never train the dog in me

Yeah, that's on G, baby
Ooh, yeah, I got what you need, baby
Hold on, wait for me, 'fore you change pace on me (Yeah)
You could go away, just remember 'bout that rain for you (Yeah)
Come home with me
Fall in love with me
Get married

Let's get married
Baby, let's get married
Let's get married
Baby, let's get married

Got you in the coupe baby
No, no baby
SS-550
That bitch don't wanna spend no time with me
Hoe, you could never train the dog in me

Truth be told, I ain't never loved none of my exes
Think I was lying to myself, thinking I could be happy
She got her body done, but her mind still lacking
Was supposed to run away together, but it just never happened (Yuh)
And in between that time I seemed to, ride around with Gina
Ashley, Lindsay, Hope, or Tina (Mwah)
This my sincerest apology, I'm just hoping you could acknowledge me
I wasted all your time, time I take responsibility
I'm a real one, for a real one, I just had to let you know
I could love some, or kill some, the point I'm getting across
I fell in love with somebody that left me with a scar
Knife in my back and a crack in my heart
But let me continue the story
I was loving whatever had loved me
I was fucking whoever would fuck me
I was dubbing whoever was stunting me
Cause I wear my heart on my sleeve
Then something happened, you wouldn't believe
I dropped down on one knee (Like)

Let's get married (Yuh)

Let's get married
Baby, let's get married
Let's get married

Got you in the coupe baby (Yeah)
No, no baby
SS-550 (Wah)
That bitch don't wanna spend no time with me
Hoe, you could never train the dog in me
