You should see these deals, new deals, fresh blood
Selling six stacks house fuck your true blood

Girl let me tell you about a nigga like me
One day shorty kill them with the fleek
Two on two but she like on three
I hit her from the back phone tap ring ring
Little bitch you never have phone sex on the late night?
My rare engine bust out your brake lights

And yes she came quick man I do that body flicker

Right up here when I write my poetic taste
Like we just fucking and stay home all day
All night with the movie on the drown not a noise
