

Baby this drank got us fuckin' quiet  
Got you cummin' loud  
Baby fuck me fast  
Don't you slow down  
Ridin' with you through the bity it's a ghost town  
Coast to coast I'm known to put this player down  
Pimps up, hoes down  
Pimps up, hoes down  
[?] to my pocket like a sky rocket, then we out  
Who gon' love you like I love you?  
I'm just tryna put you down

Ay mane, say mane  
Let me put you up on game mane  
Having it my way like OJ back up in his day  
I found you on Biscayne, and made sure that your fuckin' rent p  
aid  
Got red bones, yellow bones  
Just tell me what kind you need mane  
Tryna understand why the fuck you think you don't need me bitch  
Wastin' all that time that I spent when I don't need you bitch  
I could never love you the same way that that perky did  
The first thing you woke up to, yo fuckin' pimp  
Baby you a cash cow, black and white, made me proud  
Dark hair, light eye, skin honey brown, you finna run the town  
Bitch I helped you feel secure, I'm the one that kept the score  
I'm the one that turned you rich, and I'm the one that turned y  
ou poor (mwah)  
In yo mouth now, no kiddin' when I play shark now  
Gotta break your heart now, gotta break they hearts now  
I ain't finna single you out, you know I take 'em all down  
Shake them all down, I made my mark now

-Got us fuckin' quiet
