

## WHEN THUGS CRY

Robb Bank\$

Lie and tell me that you wanna stay  
Lie and tell me that you wanna stay  
Lie and tell me that it's okay  
Lie and tell me that you wanna stay with me  
Out here with her  
When you wasn't riding for me  
And had the time of your motherfucking life  
While you was lying to me

This go to my lil bitch  
Had to get back on my grizzly  
Had to fuck you in the Ritz  
Pull out I don't want no kids  
But you're more than material, I swear  
You know it's only 'bout the sex before I go to the next  
Rolex or the Audemars, should buy her what she wanted  
But I'm trying to see what she really love  
So you know I'm ain't buying nothing for her  
Hotel came with a waterpark, I built her a waterpark  
Yeah that's two waterparks and I'm still in the villa counting  
bars  
You ain't never wanna love me baby  
You ain't never wanna love me baby  
You could never be the wife you claimin'  
I don't even understand why you hate me  
And I don't ride on jets 'cause I think about Aaliyah  
And I don't ride on helicopters 'cause of Kobe (I swear)  
Bitch Megumi trying to feed me all these medicines  
I'm Battosai with my exes, bitch  
Point 'em out again we trying to laugh at that nigga you with

Lie and tell me that you wanna stay  
Lie and tell me that you wanna stay  
Lie and tell me that it's okay  
Lie and tell me that you wanna stay with me  
Out here with her  
When you wasn't riding for me  
And had the time of your motherfucking life  
While you was lying to me
