

The Way You Treated Me

Robben Ford

When I first met you baby
You were so nice and true
Now look at you, honey
Shame, shame on you

Yeah, you're gonna be sorry
for the way that you treated me

I did my best to please you, everything i could
No matter how hard I try, you just didn't see any doin' a good
But, you're gonna be sorry
For the way that you treated me
You're gonna see

Yeah, I hate to leave you but I think it's best to go
The way I'm gonna miss you
You're never gonna know

But you're gonna be sorry
For the way that you treated me

Yeah, I get so worried
Get so lonesome and blue
Sometimes I wonder just what am I gonna do

Yeah, you're gonna be sorry
Oh, for the way that you treated me

Yeah, I hate to leave you but I think it's best to go
The way I'm gonna miss you
You're never gonna know

But you're gonna be sorry
Ahh, for the way that you treated me
Let me tell you now
You're gonna be sorry
Oh, for the way that you treated me
Hey, yeah
You're gonna be sorry, sorry
The way that you treated me, yeah, yeah, yeah
Yeah, you're gonna be sorry
