

# I'll Be the Fool Again

Robbie Dupree

There was a time when I would come runnin'  
You'd call my name and know I'd be there  
While you remained always the same  
Just wanting me when you cared

So again tonight  
I'll be the fool again  
And take the blame  
I'll break the rules again  
And try to change  
But I know who I am

We reconciled with tears on our face  
You'd wear a smile to take their place  
Seems like long ago, did we really know?  
You gave me hope to carry on

So again tonight  
I'll be the fool again  
And take the blame  
I'll break the rules again  
And try to change  
But I know in the end  
I'll be a fool again tonight

You taught me 'bout myself  
Now I can't live with anybody else

So again tonight  
I'll be the fool again  
And take the blame  
I'll break the rules again  
And try to change  
But I know in the end, I'll be a fool  
I'll be the fool again  
Just hold me tight  
I'll break the rules again  
And stay all night  
But I know in the end, I'll be a fool

I'll be the fool again  
If I try to change  
I'll be the fool again  
And break the rules  
I'll be the fool again  
I can't deny  
I'll be the fool again
