

When You're Down

Robbie Dupree

When you're down and you're feeling lonely
And you tell me that your phone ain't rung all day
You can call me, you know I'll be waitin'
And if you want my love, I'll bring it right back and stay

When you're down (when you're down)
And you can't remember (remember)
The last man that you gave your lovin' to
You can call me (when you're down)
You know I'll be waitin' (just call me)
And if you want my love, I'll bring it right back to you
(Right back to you)
Oh, yeah, yeah... yeah-yeah-yeah

You gotta get down, down, down, woo
Gotta get it, gotta get it
You gotta get down, down, down, woo
Gotta get it, gotta get it
You gotta get down, down, down, woo
Gotta get it, gotta get it
You gotta get down, down, down, woo

When you're down and you can't remember
The last man that you gave your lovin' to
You can call me (you can call me)
You know I'll be waitin' (I'll be waitin')
And if you want my love, I'll bring it right back to
Oh, yeah, yeah... yeah-yeah-yeah

You gotta get down, down, down, uh!
Down, down, down (yeah... yeah, yeah, yeah)
Down, down, down, mm-hm...
Down, down, down (come on people, now)
Down, down, down (you got to, you got to)
Down, down, down, mm-hm...
Down, down, down (you got to, you got to)
