

# The Right Mistake

Robbie Robertson

One man's trash is another man's treasure  
One man's pain is another man's pleasure  
Play too hard play too rough  
And someday someone's gonna call your bluff

Take a stroll off the deep end  
On the boulevard of broken dreams  
Took a stroll off the deep end

I was just trying to make  
the right mistake the right mistake  
I was only trying to make  
the right mistake

Gotta change some old habits  
Tryin to turn a new leaf  
I gotta stop chasing rabbits  
But I got hooked beyond belief

Let it go they told me  
But I just couldn't hear the plea  
Let it go they warned me

And I'm just tryin a make  
the right mistake the right mistake  
I was only trying to make  
the right mistake

You could be the perfect stranger  
You could be from Illinois  
Come around here courting danger  
Making all that noise

And you know I'll be there  
Tell me when the deal goes down  
And you know I'll be there

Cause I'm just tryin a make  
the right mistake the right mistake  
I was only trying to make  
the right mistake
