

## Good Reason

Robbie Seay Band

we have good reason to celebrate  
good reason to sing out loud  
good reason to dance for joy  
good reason  
(repeat)  
(chorus:)  
sing people sing  
dance people dance  
he wants to hear from you  
(2x)  
let the hands of his people  
be raised in joy  
let the feet of his people dance forever  
let their voice speak truth to all the world  
speak with your lives  
he wants to hear from you
