

Kingdom And A King

Robbie Seay Band

My heart is beating faster in my chest
As I sing of where my loyalties will rest
To never wait on the governments to move
As the broken and the poor cry out for You
For the kingdom and the King
For His glory we will sing
for the rescue of our souls
He has come
For the kingdom and the cross
Oh the triumph and the loss
Love has broken through and I'm redeemed
Through the kingdom and the King
Oh God may we be focused on the least
A people balancing the fasting and the feast
A call to give and to serve and celebrate
For You are great, oh my God You are great
So our prayer is to know
And love You above all
May we be the ends to free them we are called
For the kingdom and the King
For His glory we will sing
for the rescue of our souls
He has come
For the kingdom and the cross
Oh the triumph and the loss
Love has broken through and I'm redeemed
And our hope is not in this sin
Oh not in these walls
Not in these things
And we rest for knowing Your love
Has called us to mend
Called us to sing
Sing, Sing
And the people will sing
They will sing, sing, sing
For the people will sing for the king
For the King, for the King
For the kingdom and the King
For His glory we will sing
for the rescue of our souls
He has come
For the kingdom and the cross
Oh the triumph and the loss
Your Love has broken through and I'm redeemed
For the kingdom and the King
For His glory we will sing
for the rescue of our souls
He has come
oh the kingdom and the cross
Oh the triumph and the loss
Your Love has broken through and I'm redeemed
for the Kingdom and the King
The King, The King
And the people will sing
They will sing, sing, sing
The people will sing
For the king, For the King, for the King

Ohhhh
