

## Merciful King

Robbie Seay Band

our creator  
our redeemer  
our maker and merciful king  
(2x)  
who is like you O God  
who is like you O God  
(chorus:)  
merciful king  
you are enough  
merciful king  
you are my love  
restore my soul  
you are enough  
redeeming creator  
save us o maker  
merciful king  
where oceans are shores  
you are my love  
where skies become ground  
you are my love  
where souls are restored  
and mercy is born  
you are my love..you are my love
