

# Booty Call

Robbie Williams

I like your style, I like your hair, I like your humour too  
I like you here but you were there, send me your digits through  
You're like a ray of sunshine on an otherwise boring night  
Send me your address over, I'll Uber myself a ride

Oh, do they call it a booty call?  
Cause I've never been hip, chic or down with the kids  
And oh, what are they being politically correct for?  
Let's call it a booty call baby if that's what it is

I like your eyes, the way they smile, you've got that special b  
rew  
I been online all of the night trying to get a message to you  
Cause you're like a ray of sunshine on an otherwise lonely nigh  
t  
I'll send a carriage over it sounds like a good compromise

Do they still call it a booty call?  
Cause I've never been hip, chic or down with the kids  
Oh, let's take a break from this Punch and Judy talk  
And call it a booty call baby cause that's what it is

B double O T Y why 'cause I love it  
B double O T Y 'cause I can

B double O T Y you above it  
B double O T why can't you think like a man?

Do they still call it a booty call?  
Cause I've never been hip, chic or down with the kids  
Oh, let's take a break from this Punch and Judy talk  
And call it a booty call baby cause that's what it is  
That's what it is  
That's what it is
