

# Disco Symphony

Robbie Williams

Another floor filler, from your tortured singer  
You've been singing other songs, but I'll forgive ya  
They shoot horses don't they though, but I'm just not gonna quit  
Dressed in McQueen in a Bee Gee's dream, still right in the thick of it  
(Shaking my ass off)

Dance, dance, dance  
Dance, dance, dance  
Dancing and I'm dressed so fly (everybody loves me)  
Dance, dance, dance  
Dance, dance, dance  
Disco, baby, do or die (you know you love me, love me)  
Hardcore since '74  
On the floor singing more, more, more (woo ha)  
You got to, dance, dance, dance  
Dance, dance, dance  
Show your mama what your ass is for

Michael Jackson, Mr. Jay Z (it's your boy)  
Donna Summer, Freddie Mercury  
They were singing to my soul, I'm sure it went something like this  
Digging the scene in a Barry White dream, and I'm right in the thick of it  
(Shaking my ass off)

Dance, dance, dance  
Dance, dance, dance  
Dancing and I'm dressed so fly (everybody loves me)  
Dance, dance, dance  
Dance, dance, dance  
Disco, baby, do or die (you know you love me, love me)  
Hardcore since '74  
On the floor singing more, more, more (woo ha)  
You got to, dance, dance, dance  
Dance, dance, dance  
Show your mama what your ass is for

Sing this song with me, so I know where you're coming from  
(Ooh) It's my disco symphony  
And the beat goes on and on and on  
(Dance, dance, dance, dance dance dance)  
(Dance, dance)

(Shaking my ass off)  
Dance dance dance  
Dance dance dance  
(Dancing and I'm dressed so fly)  
Dance dance dance  
Dance dance dance  
(Disco baby do or die)  
Dance, dance, dance  
Dance, dance, dance  
Dancing and I'm dressed so fly (everybody loves me)  
Dance, dance, dance  
Dance, dance, dance  
Disco, baby, do or die (you know you love me, love me)
