## Do Nothin' Till You Hear from Me

## **Robbie Williams**

Do nothing till you hear from me Pay no attention to what's said Why one should tear the seam of anyone's dream Is over my head

Do nothing till you hear from me
At least consider our romance
If you should take the word of others you've heard
I haven't a chance

True, I've been seen with someone new But does that mean that I'm untrue? While we're apart, the words in my heart Reveal how I feel about you

Some kiss may cloud my memory And other arms may hold a thrill But please do nothing till you hear it from me And you never will!
