

Hey Wow Yeah Yeah

Robbie Williams

Boy boy boy girl girl girl clap your hands
Clap your hands if you wanna wanna
Boy boy boy girl girl girl clap your hands
Clap your hands if you wanna wanna
Boy boy boy girl girl girl clap your hands
Clap your hands if you wanna wanna
Boy boy boy girl girl girl clap your hands
If you wanna wanna, if you wanna wanna

Hey wow wow yeah yeah wow wow
Hey wow wow yeah yeah
Clap your hands now
Clap your hands now if you wanna wanna

Boom boom boom bang bang bang
Makes some noise uh
If you wanna wanna
Boom boom boom bang bang bang
Makes some noise uh
And clap your hands if you wanna wanna

Hey wow wow yeah yeah wow wow
Come on
Clap your hands now
Clap your hands now if you wanna wanna

Boy boy girl girl
Boy boy girl girl
Boy boy girl girl
Boy boy girl girl

Everybody knows that we only got tonight
See you never get a taste 'less you give it a bite
Trickle trickle trickle sweet, chooses the light
Checking for these people, on his way to light

Hey wow wow yeah yeah wow wow
Hey wow wow yeah yeah
Clap your hands now
Clap your hands now if you wanna wanna

Hey wow wow yeah yeah wow wow
Hey wow wow yeah yeah
Clap your hands now
Clap your hands now if you wanna wanna

Boy boy boy girl girl girl clap your hands
Boy boy boy girl girl girl clap your hands
Boy boy boy girl girl girl clap your hands
Boy boy boy girl girl girl clap your hands

Hey wow wow yeah yeah wow wow
Come on
Clap your hands now
Clap your hands now
Clap your hands now
Clap your hands now
