

# Pretty Face

Robbie Williams

Here we go, here we go, here I go with you  
I don't know, I don't know but I'd die for you  
Pretty smile, pretty eyes, big energy  
Pretty sure that I know you'd die for me

You're the reason why  
I'm the man I am today  
You're the reason why  
I see myself and smile

Such a pretty face  
Such a pretty face  
She's everything I love about  
Everything I love about this world  
Such a pretty face (She's got a)  
Such a pretty face  
She's everything I love about  
Everything I love about this world

Here we are, here we are and you will stay  
I'm with you, you're with me to judgement day  
I'm in love, I'm in love, I'm in love with you  
With you

You're the reason why  
I'm the man I am today  
You're the reason why  
I see myself this way

Such a pretty face (She's got a)

Such a pretty face  
She's everything I love about  
Everything I love about this world  
Such a pretty face (She's got a)  
Such a pretty face  
She's everything I love about  
Everything I love about this world

I, for one, agree  
You're the best I've seen  
I'll give you everything  
And what's left I'll be

Such a pretty face (She's got a)  
Such a pretty face (She's got a)  
She's everything I love about  
Everything I love about this world  
Such a pretty face (She's got a)  
Such a pretty face  
She's everything I love about  
Everything I love about this world

Hello, hello, hello, hello  
Hello, hello, hello, hello  
Hello, hello, hello, hello

Hello, hello  
You know I'll always be  
Looking at you, queen  
But the biggest prize  
Is what's behind those eyes
