1. Save me from drowning in the sea
    Ami
   Beat me up on the beach
    Dmi                 Emi

2. This sombre song would drain the sun
   But it won't shine until it's sung
   No water running in the stream
   The saddest place we've ever been

X: Ev-'rything I touched was golden
                            C

   Ev-'ry mistake I've ever made
                                 Dmi7
   Has been rehashed and then replayed
                            G
   As I got lost along the way

   The truth is all that you're left with
   Twenty paces then at dawn
   We will die and be reborn

   Have the universe at one with me
   Look down the barel of a gun
   And feel the moonre place the sun

X: Ev-'rything we've ever stolen

   No more dragons left to slay
   Ev-'ry mistake I've ever made
