## **Stand Your Ground**

## **Robbie Williams**

Stand your ground You're big enough Stand your ground You know too much Today drifts into tomorrow And you can almost taste the sorrow Stand your ground You've had enough Lost and found Diamond in the rough Today drifts into tomorrow You feel your soul's been borrowed Oooh, oooh... Stand your ground The water's deep Feel the sand beneath your feet I know your prayers seem hollow But when it's hard they follow Ooh, ooh...
