

Hot

Robert Cray

Ain't no time for reminiscing
Not me sir, thanks a lot
All the huggin' and the kissin'
That I really never stopped
Ya think you got me pegged
Cause you see the snow on top
But, you can ask my baby
You don't know diddly squat
I'm hot!

You can ask my baby
Ask my baby
You can ask my baby
Ask my baby
Just ask my baby
You can ask my baby
She'll tell ya that I'm
I'm hot!

Ask my baby
You can ask my baby
Ask my baby
Ask my baby
Oh, you can ask my baby
Yeah, you can ask my baby
She'll tell ya, she'll tell ya
Ask my baby
She'll tell ya that I'm
I'm hot!

I'm hot like the sun
She'll tell ya I'm the only one
She like the way I turn up the heat
She'll tell ya, she'll tell ya, I can't repeat
Don't play it cool, don't be a fool
I'm hot! I've been to school
Hey, hey, hey
I'll tell ya that I'm hot!

Hot, hot, hot
Hot, hot, hot
Hot, hot, hot
Hot, hot, hot
...
Psssst

Don't want it that hot
Hey, I'm hot!
Yeah, I'm hot!

10, 11, 12
It don't get hotter than hell
Yeah, I'm hot!

Hot, hot, hot
Hot, hot, hot
Hot, hot, hot

Hot, hot, hot
Hot, hot, hot
You know what I got
Hot, hot, hot
Hot, hot, hot
...
