

# I'd Rather Be A Wino

Robert Cray

I'd rather be a wino  
Way down on skid row  
I'd rather be a wino  
Way down on skid row  
If I lost my little Jenny  
I wouldn't have no else to go

Well I feel like a junky  
With tracks all down my arm  
I feel like a junky  
With tracks all down my arm  
I'm hooked on that girl  
I can't let her come to no harm

Well if I was sick and dyin'  
And didn't have much time to go  
If I was sick and dyin'  
And didn't have much time to go  
I'd say lord come and get me  
If I can't love my Jenny anymore

Well I'd rather be a wino  
Way down on skid row  
I'd rather be a wino  
Way down on skid row
