

# I'm Done Cryin'

Robert Cray

I begged for mercy  
Called out in pain  
No one seemed to hear me  
It's like I don't have a name

I'm done crying  
I've got no more tears  
You can't hurt me anymore  
At least now I know where I stand  
You won't take away my dignity  
Cause I am still a man

I used to have a job  
But they shut it down  
Put the blame on the union (like they always do)  
And now it's some fore in town  
I am done crying  
I've got no more tears  
You can't use me anymore  
At least now I know where I stand  
But you won't take away my dignity  
Cause I am still a man

They took the house  
When I lost my job  
Left us out in the street (yes they did)  
What you picked us the wrong  
I am done crying  
I've got no more tears  
I can't give you anymore money  
At least now I know where I stand  
You can't take away my dignity  
Cause I am still a man

I am a man  
And it's always so much a man can give up  
So it's so much, so much a man can lose  
When all the odds all the odds stand up against you

I am done crying  
I have got no more tears  
You can't use me anymore  
At least now I know where I stand  
You won't take away my dignity  
Cause I am still a man

I am done crying  
I have got no more tears  
You can't hurt me anymore  
At least now I know where I stand  
You won't take away my dignity  
Cause I'm still a man  
I'm still a man  
Still a man  
You know I don't have a chance  
Still a man  
Still a man
