

## Promises You Can Keep

Robert Cray

Let me down easy  
Please string me along  
I've got to maintain my habit, oh, girl  
Of your love and your love alone

Cause my love for you is so deep  
Seems like all I do is moan and weep  
Going crazy over promises you can't keep  
You can't keep

Now here I am at the point of no return  
Lovin' you is like a slow burn  
It's like a furnace without no coal  
Oh, Lord it's like you're throwing dirt on my soul

Cause my love for you is so deep  
Seems like all I do is moan and weep  
I'm losing sleep over promises you can't keep  
You can't keep

Oh, it's time to be moving on  
Because I've been getting no love for so long  
There's no other way it could have gone

Cause my love for you is so deep  
Seems like all I do is moan and weep  
Losing sleep over promises you can't keep  
Promises you can't keep  
Promises you can't keep, no  
Promises you can't keep  
Promises, promises,  
Promises, promises you can't keep  
Promises, promises,  
Promises you can't keep  
Promises, promises  
You can't keep
